31 Bay State Rd. # 3
Boston, MA 02215
USA, Brazil (citizen)

CURRENT POSITION

Lecturer of Economics, Tufts University, 9/'13 –

PREVIOUS POSITIONS

Architecture, AdWords & search engine optimizer for small business, 8/'08 – 1/'14
Assistant Professor of Economics, Brown University, 7/'04 – 7/'08

EDUCATION

Ph.D. in Economics, Yale University, 12/'04
Dissertation: *Welfare Impact of Policy in Incomplete Markets: Theory and Computation*
Advisors: Prof. John Geanakoplos, Prof. Donald Brown, Prof. Stephen Morris
B.S. in Applied Mathematics, magna cum laude, UC-Berkeley, 12/'97

TEACHING

(Undergraduate & PhD courses)

Principles of Economics Su15	U
General Equilibrium Theory, S07, S08	U
Introduction to Econometrics, F13	U
Introduction to Game Theory, F13, S14, F14, S15, F15	U
Intermediate Macroeconomic Theory, Su14	U
Intermediate Microeconomics (Honors), F04, F05	U
Intermediate Microeconomics, S07, S08	U
Introduction to Finance, Su03, Su14	U
Quantitative Financial Economics F14, F15	U
Quantitative International Finance F14, F15	U
Quantitative Intermediate Macroeconomic Theory F14, F15	U
Microeconomic Theory II, S14	Master
Finance & Mechanism Design in Continuous Time S07, S08	PhD
Theory of Incomplete Asset Markets, S06	PhD
Mathematics for Economists, S05, S06; F06, F07, F08	PhD

PUBLICATIONS

Tirelli, Mario and Sergio Turner, "[Quantifying the cost of risk in consumption](#)," The B.E. Journal of Theoretical Economics, 10(1) (2010) article 31.

Tirelli, Mario and Sergio Turner, "[A social welfare function characterizing competitive equilibria of incomplete financial markets](#)," Research in Economics, 64 (2010) 58-65.

WORKING PAPERS

[How Much Trade Does the Transfer Paradox Require? The Threshold Computed](#),
revise and resubmit to *Journal of Economic Theory*

[Pareto Improving Taxation in Incomplete Markets](#)

[Demand Theory in Incomplete Markets](#)

FELLOWSHIPS, HONORS AND AWARDS

Yale University

Carl Arvid Anderson Fellowship, '02-'03

Yale Dissertation Fellowship, Spring '02

Cowles Foundation Prize, Summers '99, '00, '01

Yale University Fellowship, '98-'02

University of California-Berkeley

Phi Beta Kappa, '97

Student Research Opportunities Program, summer '97

Carnegie-Mellon University

Research Experience for Undergraduates – NSF, summer '96

Stanford University

AEA Summer Program, summer '95

SERVICE TO PROFESSION

Refereeing

Econometrica, Journal of Economic Theory, Journal of Mathematical Economics, Berkeley Electronic Press, International Economic Review

PhD advising

Norovsambuu Tumennasan, '05-'09 (now at Aarhus University)

Matthias Cinyabuguma, '04-'05 (now at U. of Maryland-Baltimore County)

Luciana Fiorini, '04-'05 (now at The University of Western Australia)

Undergraduate Advising

Applied Math-Econ, Math-Econ, Engr-Econ, Comp Sci-Econ Advisor, '05-'09

Emily Roessel, senior thesis, '05-'06
Sebastian Benthall, Spring '05, Summer '05

Organizing

Co-organizer, '08 NSF/NBER/CEME Conference in General Equilibrium-Mathematical Economics
Co-organizer, creation of Finance track in Applied Math-Economics concentration, Spring '07
Organizer, theory workshop, Fall '06
Co-organizer, theory workshop, Fall '04, Fall '05

Search and Hiring

Assistant Professor in micro theory, 12/'06
Post-doc in micro theory, '06, '07
PhD admissions committee, '04

PRESENTATIONS

September '07-

17th European Workshop on General Equilibrium Theory, Paestum, 6-15

September '06-

Economic Theory Workshop, U Penn, 3-16
Workshop on Mathematical Economics at IMPA, Rio, 12-14
Midwest Economic Theory at Purdue, West Lafayette, 10-13
Rice University Microeconomic Theory Workshop, 9-14

September '05-

North American Meeting of the Econometric Society, Minneapolis, 6-24
Colloquia on Mathematical Economics, University of Rome III, 6-7
2nd CARESS-Cowles Conference on General Equilibrium and its Applications, 4-28
Brown Theory Workshop/Lunch, 9-19/21
